9.0 Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location. Our waiting list and the waiting list of other PHAs in our area indicate a shortage of affordable housing foe all populations.

9.1
Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan. Maximize the number of affordable units available by employing effective maintenance and management policies to minimize the number of off line units and reduce turnaround time for vacant units. Strategy influenced by funding and staffing constraints.

Additional Information. Describe the following, as well as any additional information HUD has requested.

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-year Plan. **Progress in Meeting 5 Year Goals**

In the five year plan the Housing Authority set many goals. Goals that we have accomplished are:

We put central heat and Air in all building. We tripled operating funds. Painter the majority of the units and remodeled 2 units.

The long-range scope of the Authority is to improve the facilities and community for all its residents. The Authority plans to make site improvements by adding landscaping. We are also planning to modernize a unit and make it handicap accessible.

The Authority will continue to serve the HA community not only by providing them with decent housing but also by improving the community of its residents.

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification" **See Attachment A**

Criteria for Substantial Deviations and Significant Amendments (1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

The Housing Authority does recognize the need for public notification for items contained within the 5-Year and Annual Plans. This authority shall make proper notification for any Substantial Deviations from these plans as required under law. The exception to this definition is if the change has been made to meet regulatory compliance with The U.S. Department of Housing and Urban Development requirements. Substantial deviation or Significant amendment or Modification shall mean those of the mission statement, goals and objective, capital fund program or changes in significant expenditures. And changes in statutory requirement for administration of Public Housing requiring public comment and/or public hearing.

B. Significant Amendment or Modification to the Annual Plan

A Significant Amendment or Modification to the Annual Plan shall be construed to mean the following:

Changes to rent or admissions policies or organization of the waiting list;

Additions of non-emergency work items not currently included in the Annual Statement or the

5-Year Action Plan or changes in use of replacement reserve funds under the Capitol Fund:

Any changes with regard to demolition or disposition, designation, homeownership programs or conversion activities.

These issues, if required, shall be raised with proper public notification. The Housing Authority acknowledges that an exception will be made by HUD to comply with the above changes that are adopted to reflect changes in HUD regulatory requirements: such changes will not be considered significant amendments by HUD.

SECTION 603 OF THE LAW AMENDS SECTION 5A OF THE U.S. HOUSING ACT (42 U.S.C. 1437C-1) TO REQUIRE THAT PHAS' FIVE YEAR AND ANNUAL PLANS TO CONTAIN INFORMATION REGARDING ANY GOALS, ACTIVITIES, OBJECTIVES, POLICIES, OR PROGRAMS OF THE PHA THAT ARE INTENDED TO SUPPORT OR ASSIST VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING, SECTIONS 606 AND SECTION 607 AMEND THE SECTION 8 AND PUBLIC HOUSING SECTIONS OF THE U.S. HOUSING ACT (42 U.S.C. 1437F AND 1437D) TO PROTECT CERTAIN VICTIMS OF CRIMINAL DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING AS WELL AS MEMBERS OF THE VICTIMS IMMEDIATE FAMILIES FROM LOSING THEIR HUD ASSISTED HOUSING AS A CONSEQUENCE OF THE ABUSE OF WHICH THEY WERE THE VICTIM.
